Content

This advanced training for international family mediators will be conducted in English and will consist of presentations, discussions, and practical exercises. The following topics will be covered:

- MiKK's 4B model
- Framework and specifics of mediating Hague Convention cases
- The changing face of families in a globalized world
- National family law in international family disputes
- 1980 and 1996 Hague Conventions
- Brussels II bis Regulation
- Guidelines for preparing co-mediation
- Dealing with highly emotional cases
- Role-Plays based on real cases
