Content

This two-day ongoing training for international family mediators and other professionals in the field of Cross-Border Family Mediation will be conducted in English and will consist of presentations, interactive discussions, and practical exercises led by experienced international trainers. The following topics will be covered:

- Principles and Structure of mediation
- MiKK's 4B model
- Tools and Methodologies
- Legal framework and specifics of mediating Hague Convention cases
- The voice of the child, children's rights, and the wellbeing of children
- Meeting with children in mediation
- Role-Plays

Instructors

Dr. Lesley Allport

Mediator, Trainer, Specialist for the Voice of the child in Cross-Border Family Mediation. Lesley has a long career in mediation spanning the last 35 years and began training mediators 25 years ago. She sits on the Family Mediation Standards Board and was part of the working group that drew up national standards for child inclusive working in the UK.
